

LITERATURE GUIDE

VOLUME 4

ANTIBODY MEDIATED REJECTION

Antibody-Mediated Rejection in Kidney Transplantation: A Review. Chethan Puttarajappa, Ron Shapiro, Henkie P. Tan. *Journal of Transplantation Volume 2012.*

Antibody Mediated Rejection: Update 2006. Paul Terasaki, Kazio Mizutani. *Clin J Am Soc Nephrol 1: 400–403, 2006*

Deciphering antibody-mediated rejection: new insights into mechanisms and treatment. Mark D. Stegall and James M. Gloor. *Current Opinion in Organ Transplantation. 2010,15:8–10*

Pathologic features of antibody mediated rejection in renal allografts: an expanding spectrum. M Haas. *Current opinion in Nephrol Hypertension. May 2012;21 (3):264-71.*

Novelties in diagnostics and therapy of antibody mediated rejection. Duska Dragun and Birgit Rudolph. *Nephrol Dial Transplant (2007) 22 [Suppl 8]: viii50–viii53*

Antibody-Mediated Renal Allograft Rejection: Diagnosis and Pathogenesis. Robert Colvin. *JASN. April 2007;18 (4):1046-1056*

Antibody-Mediated Rejection: Pathogenesis, Prevention, Treatment, and Outcomes. Olivia R. Blume, Sarah E. Yost and Bruce Kaplan. *Journal of Transplantation Volume 2012 (2012), Article ID 201754.*

Antibody mediated rejection: historical perspectives and animal models: Presentation by Dr. Robert Colvin

Current problems of chronic active antibody-mediated rejection. Takeda A et. al. *Clin Transplant 2011: 25 (Suppl. 23):2–5*

Kidney transplants, antibodies and rejection: is C4d a magic marker? Volker Nickenleit, Michael J. Mihatsch. *Nephrol Dial Transplant (2003) 18: 2232–2239.*

Transplant Glomerulopathy, Late Antibody-Mediated Rejection and the ABCD Tetrad in Kidney Allograft Biopsies for Cause. B. Sis et. al. *American Journal of Transplantation 2007; 7: 1743–1752.*
